

**IMPORTANT NOTICE TO ALL COMPETITORS FOR 2008**  
**STARTING ON JANUARY 1, 2008 ALL SOLO, RALLY AND CLUB RACING**  
**COMPETITORS MUST BE SCCA MEMBERS!**

(This is a directive from the SCCA Nationals office, NOT the Pan American Region SCCA)

---

Starting on Jan 1, **ALL** regional competitors (solo, rally, club racing, etc) **MUST** be SCCA members. Temporary memberships will be sold at each event for **\$15**.

ALL non-SCCA members will be required to check-in and become members **BEFORE** going to registration.

These Temporary Memberships will be valid for the event weekend ONLY. If you decide later on that a full membership would be a good idea (**BEFORE** you enter or register for the next **PAR** solo, rally, or club racing event), the **\$15** Temporary Membership dues that were previously paid, will apply as a discount towards the **\$75 annual** SCCA membership price and it is even more reason to become an SCCA member.

If you plan to run several events next year, you might as well have a full SCCA membership. Additionally, you will save **\$15** per each **2008 PAR Solo Event** that you compete in.

**Temporary** and **Full** SCCA membership forms will be available at **ALL** regional PAR solo events.

In 2007, we were required to put our SCCA membership numbers on the waiver, when signing in at the registration area. SCCA #'s will be required on all paperwork - registration cards, etc. If you're already an SCCA member, please be sure to update your online profile. That way, if you forget your number, we will have a list at registration.
